

Selection of the diameter of a ring

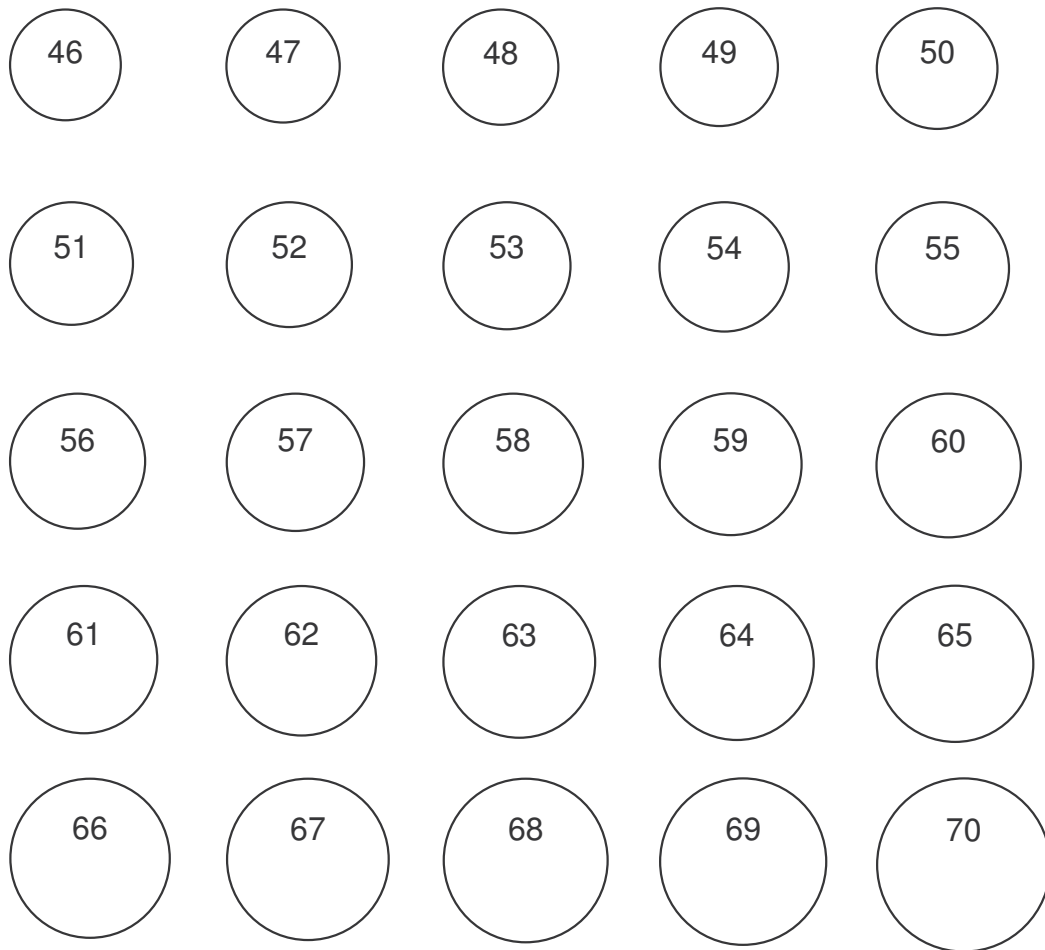

To select the ring diameter you need, print this page in real size (100%). The circles below show the interior dimension of the ring. Take one of your rings and put it on the printed page. Then move it over the various circles until you find the right diameter, take note of the number in the circle, and select this number in the "Size selection" menu of the ring.

Note: you must see the exterior border of the circle. In the case of a doubt between two sizes, we recommend that you select the largest one.

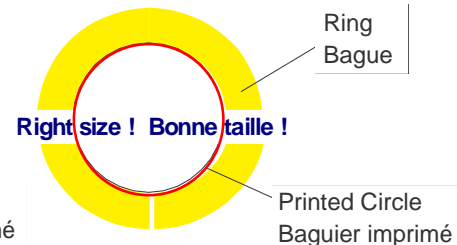

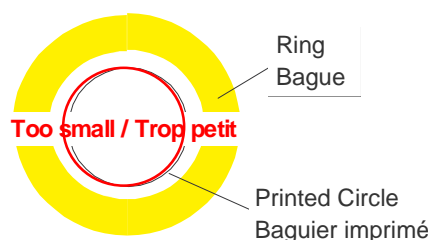

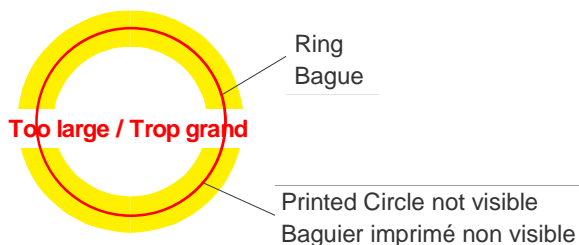

Sélection d'un diamètre de bague

Imprimez cette page à sa taille réelle (100%). Les cercles ci-dessous indiquent la dimension intérieure de la bague. Prenez l'une de vos bagues et posez-la sur la page imprimée. Ensuite déplacez-la sur les différents cercles jusqu'à ce que vous trouviez le bon diamètre, prenez note du nombre dans le cercle, et choisissez ce nombre dans le menu "Sélection de la taille" de la fiche de la bague.

Note : vous devez voir l'extérieur du cercle imprimé. En cas de doute il est prudent de choisir la plus grande taille.
